EXPERT'S VIEW

"A true world cruiser and the only Bering 80 currently available on the market, BEYOND CAPRICORN offers flexible guest accommodation for 9 guests in 4 staterooms. With a voluminous beam, she not only boasts the classic explorer look but also offers great functionality. Her interior features traditional varnished wood paneling and cabinetry, while her exterior profile is instantly recognizable. Meticulously maintained by her original Owner and crew, she stands as a true 'Pocket Explorer'".
